MIDSUMMER ARTS is all about interactive, hands-on, DIY experience with art. Keep the creativity going after the festival with this take-home fun!

### Play Dough Recipe:

2 cups flour  
2 cups warm water  
1 cup salt  
2 Tbsp veg oil  
1 Tbsp cream of tartar (for good elasticity)

Mix all ingredients together and stir over low heat (get a parent to help with this part!). When it goes from mashed potatoes consistency to a big sticky clump, let it cool. After it's cool, knead until smooth. Optional: knead in drops of food coloring or Kool-Aid powder for fabulous colors!
